RULE GOVERNING COMMERCIAL SOLICITATIONS

May 22, 2008

The Articles of Incorporation and the Declaration of Covenants, Conditions, and Restrictions of the Imperial Golf Estates Homeowners Association, Inc. give the Board of Directors the authority to promulgate and enforce reasonable rules and regulations for the safety, health, welfare, happiness and peace of mind of the Members of the Association.

It has been the policy of the Board to discourage the house to house commercial solicitation of the Members of this community. This applies to flyers, hang tags, other advertising materials, and other house to house commercial solicitations, especially the utilization of mail boxes for those solicitations.

Therefore the Board of Directors has implemented the following Rule:

No commercial solicitations shall be allowed within the Imperial Golf Estates Homeowners Association area.

The rationale for the promulgation of this rule includes the fact that house to house depositing of flyers, door tags and door to door commercial solicitations could compromise the safety of our Members, will result in debris on the properties, highlights which houses are empty at the time, and could result in other annoyance of the safety, welfare and peace of mind of our Members.
